*For the protection of your pet(s) and the other pets boarding, we board only **HEALTHY** pets.*

**Vaccination Requirements:** Cats must have current Rabies and Distemper vaccinations and be a current patient and have had an exam by our veterinarian(s) in the past 12 months.

**Fleas/Ticks:** All pets must be free of external parasites upon admission. Any pet with fleas or ticks will be bathed and treated before being admitted. Additional charges will be incurred.

**Special Diets/Belongings:** We will feed your pet PVD DM dry. Should your pet require a diet other than this, please provide the proper food. Washable belongings will be cleaned and returned to you at the time your pet is discharged. We do not accept or assume responsibility for any belongings that cannot be washed or dried.

**Discharge:** Boarding charges begin the day your pet is admitted. Check out time is Monday through Friday 11:00AM - 5:30 PM and Saturday from 9:00 AM- noon. Sunday pick up time is available from 5:00 PM - 5:30 PM for an additional fee. If check-in or discharge occurs at any time other than the above stated times, an emergency fee will be charged. No pet will be discharged without payment in full.

**Medication Administration:** If any medications are to be administered there will be an additional fee incurred depending on the number of administrations per day.

**Authorization of Release:**

Should my pet become ill and/or require medical attention, by my signature below, I authorize the staff of All Pets Medical & Laser Surgical Center to administer whatever emergency surgical/medical care deemed necessary and I accept responsibility for any additional expenses incurred. If I neglect to pick up my pet within 5 days of the above pick up date, we will assume this pet is abandoned.

**All Pets Medical & Laser Surgical Center cannot be held responsible for exposure to Virulent Systemic Feline Calicivirus (VS-FCV) as there is no vaccine available at this time. Our goal is to provide the highest quality veterinary care to our patients and excellent service to our clients. To achieve this goal, our cat boarding facility is available ONLY to our current feline patients. In doing this, we are protecting our patients by providing an exclusive cat boarding facility for the pets of our valued clients and helping to ensure their health and well being.**

**By signing below, I state that my cat has not shown any respiratory symptoms such as fever, lethargy, ocular or nasal discharge, sneezing, ulcerations of the skin, or decreased appetite for the last seven (7) days. If any of these symptoms occur during my cat's stay, I understand that I will incur a decontamination fee and my cat will be moved immediately to the isolation area for the rest of the boarding stay. I am aware that I am responsible for these additional fees.**
